Black*	NW-263	HW-263

*Black color dye will require more dye per pound than the other colors.

Pearlizer Powder is a very fine powder applied to the finished candle to bring out the detail. Put a small amount of Pearlizer Powder on a paper plate. Use a dry brush and dip it into the powder, tap the brush on the paper plate to remove the excess powder. Apply to the desired areas of your candle. Mix colors for great effects. Seal the Pearlizer Powder to the candle using the Candle Gloss. 3 grams per package.
